

Your personalized event in a suited hotel to conferences and conventions

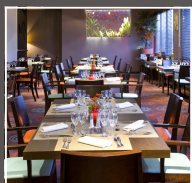

Do you have to organize a general meeting, the launching of a product or a convention? You'd like to thank your clients or congratulate your partners. Because we care how much important those events are, our well-skilled team will devise your meeting with a real pleasure. In front of the Congress Center and nearby the leisure Park, enjoy its strategic position by meeting professionalism and welcoming in those modern premises.

Our meeting solutions

In a present and smart style, the hotel offers 274 3 and 4-star perfectly appointed rooms. Fully refurbished in 2010 you will benefit of its 14 meeting rooms with high technical equipment that can accommodate from 20 to 300 guests.

With an experienced culinary team and banquet services the Restaurant "Relais Plaza" offers regional flavored meals in a modern and sophisticated atmosphere.

Services included in fees

Internet & audiovisual facilities: complete video projector and screen system with video connection cable, PA system, free Wi-Fi or high-speed Internet access, paperboard, pads, pens and mineral water.

Relaxation services: indoor heated pool, fitness center and game space (billiard, video games...)
